

Updated: 1/7/2021

EAGLE BOARD PANDEMIC PROCEDURES:

In compliance with CDC recommendations and our county guidelines, we are **not** meeting in person. The Eagle Board is and has been meeting with Eagle Candidates on different days and at different times. The links to National must be used for the updated Eagle Project Workbook and Eagle Rank Application and can be found on this website. **DO NOT GOOGLE THE EAGLE PROJECT WORKBOOK. REFER TO OUR PAGE UNDER GOLD COUNTRY EAGLE SCOUT ADVANCEMENT.**

<http://www.yosemitescouting.org/districts/gold-country-district/eagle-scout-advancement/55919>

These are some of the changes:

Eagle Project Proposals

- The Eagle Board will need to see a completed copy of your proposal prior to being scheduled (***signed and approved by the appropriate parties (your signature, your unit leader, beneficiary and your committee chair) with drawings/pictures, anything that supports your proposal***) with drawings sent by e-mail to: gglissman@att.net. Mr. Glissman will then review the proposal and schedule an interview with the Eagle Candidate. At no time, should a youth e-mail an adult without another adult included. The same is true the other way around. Please be sure that you identify yourself in your e-mail, unit and contact information.

If approved, the proposal will be signed and returned to the Eagle Candidate by e-mail and it will include another adult. We realize that rescanning the page with signatures (printing and scanning copies) will result with the information on that page begin to get blurry. Just be sure you keep the original in your project binder and include the signature page.

- The Eagle Candidate is reminded to be sure to follow CDC recommendations and our county guidelines to keep your unit, family and staff safe i.e. masks, social distancing, etc. Include this information in your Eagle Project Workbook.

At this time, you should have already put these pages in a binder that will be only for your Eagle paperwork. **Remember this should be your best work and neat.** Some Scouts use plastic sleeves which helps to keep the papers together and neat.

Eagle Binders

- Completed Eagle Binders for the Gold Country District may be dropped off at the old address In Stockton, **but a different office**. The Gold Country District is thankful to the office of Mr. French, our GYC Council President.:
1308 W. Robinhood Drive, **Suite 14**, Stockton. (Note of the **different suite number.**)
If you must get your binder in quickly, you would have to take your Eagle binder directly to the Modesto office: 4031 Technology Drive, Modesto, CA. 95356
- Once binders are certified by our council in Modesto, the Eagle Board will be notified that the Eagle binder is ready for pick up.
- Dates and times are scheduled according to our availability after work and on zoom for your Eagle Board of Review. One of the Board members will contact the Eagle Candidate with a date and time. Remember this is a Class A event. A uniform inspection will be included so dress your best and show your colors!

***For those Scouts who have an extension granted by our Council because of the pandemic, be sure to let the Council know: Mrs. Wilson: robin.wilson@scouting.org and the Eagle Board so we may adjust our schedules accordingly.**

Eagle Board: Mr. Stoermer: bstoermer53@gmail.com; Mrs. McKeown: gabbymck@comcast.net; Mr. Glissman: gglissman@att.net. You may also contact the Council directly by phone.

****The council needs time to review your binder then it goes to the Eagle Board who also requires time to review your binder. So, if time is of the essence, get your Eagle Binder to Modesto as soon as possible.**
