

To obtain access to Camp Isom you must contact the council office and make arrangements to use the facility. Once arrangements have been made you will obtain keys to the gates so you can gain access.

Directions: Take Crows Landing Road south. At Highway 33 it turns into Fink Road. Just before Interstate 5 turn right on Ward Road. Turn Left on Oak Flat Road. It is 6.0 miles to the Guard House and 7.8 mile to fork in the road. There is a stop sign on side road near the fork. Take the left fork along the base of the hill. You will continue on the road pas the second golf course until you come to a double gate. Take the left gate and follow the main road that will go to the left gradually up through a canyon to a valley with a ranch house. Turn right at the fence near the ranch house and proceed up the hill. There are two roads up the hill and both go to the same place. Near the top there will be a gate. Past this gate you will come to a small valley. Proceed up the hill past the vineyards and barn. Turn left past the barn. The caretaker's trailer will be on the right. Go to the top of the hill to the last gate. The road past this gate drops sharply to the bottom of the hill. You will come out at three ponds. There is a large flat area to your right, which is good for camping. A nice area is also across the creek from the ponds. Take care with fire & haul out all trash.

Enjoy Camp Isom!
