

What's BALOO?

Cub Scout packs have the opportunity to conduct a pack campout (overnight) activity, as long as the activity is conducted at a council-approved location and is under the direction of a leader in the pack trained to do so. The training course to prepare these leaders is called Basic Adult Leader Outdoor Orientation. **(BALOO, for short)**

A BALOO Trained Leader is required if your Cub Pack plans an Overnight Camp Activity.

Online BALOO prerequisite training is available and recommended prior to attending this course.

Go to my.scouting.org and click on Learning Center Link on the right and scroll down to BALOO link and follow instructions.
